Reggae Rules The World

## THE GO-TO REGGAE AND DANCEHALL APP

[jamarado.com](http://jamarado.com)

Play music. Enjoy lifestyle. Discover culture.

★ **Download** the go-to Reggae and Dancehall App. Jamarado is your one beat Reggae Music Player and Lifestyle Selectah.

★ **Listen** to music through easy flow, mood zones and special selectahs from big names to raising artist past and present, across the styles.

★ **Enjoy** the Reggae reverb from food to festivals, style to culture and meet the people who live the music.

Jamarado is a fiercely independent start-up, based in London, born from a deep passion for the music and culture. Our mission is simply to give reggae a mighty global roar through unity, collective opportunity and inspired vision

Join the reggae revolution!
